

Week of March 1 - March 5

MRS. SALAS'  
CLASS NEWS

## A look ahead..

Next week, we will continue our Oregon Trail simulation. We will be making decisions as a family that help or hinder us on our way out west. In reading, we will continue learning about figurative language, as well as, noticing how scenes in a drama build upon one another. In writing, we will be looking at our sentence structure and learning how to create compound sentences. In math, we will continue creating and solving problems involving the data on a graph.
