

Week of November 30 - December 4

MRS. SALAS'
CLASS NEWS

A look ahead..

Next week, we will be learning about animal adaptations. We will be reading and viewing different information about how these adaptations help animals survive in their environment. As we read, we will continue to compare and contrast information from texts that are on the same topic. In math, we will be learning how to determine the perimeter of a shape.

Upcoming Dates:

- Late Start 12/9
- Winter Break begins 12/20
- School Resumes 1/4

A message from Mrs. Salas

Thank you for attending conferences. I enjoyed speaking with each of you. The insights I gain from you are extremely valuable. Please continue to reach out and let me know how I can continue to support your child.

Shout Outs!!!!

We started writer's workshop this week! Everyone has done an amazing job choosing topics to write about and using the writing process.
