

Week of September 14- September 17

MRS. SALAS'
CLASS NEWS

A look ahead..

Next week, we will be wrapping up our community unity. Third graders can make a difference, too! We will be choosing a way we can make a difference in our community and reflecting on how it will impact our community. In math, we will be assessing our first unit of rounding, estimating, and triple digit addition/subtraction. Then, it's on to multiplication!

Upcoming Dates:

- No School 9/18
- No School 10/12
- Late Start 10/14
