

Week of January 25 - January 29

MRS. SALAS  
CLASS NEWS

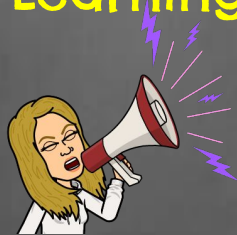

## A look ahead..

Next week, we will continue learning about fossils. In reading, we will be focusing on how what we know about a character can help us make predictions about what they will do next. In writing, we will continue to create our imaginative narratives with a focus on adding dialogue. In math, we will be identifying fractions on a number line greater than 1. We are also looking forward to World Read Aloud Day on February 3!

Thursday morning we had our all school Book Awards Assembly. What an exciting time! We loved learning about the top books of the year as well as the Meadowview honorees. During our assembly we also kicked off our annual PTO Young Author event. We hope your child was inspired to write a story of their own.

Please use the link below to let us know if your child is writing their story online through Google Classroom or if you would like a paper copy. Those selections are **due by Monday, February 1**

## Shout Outs!!!!

Thank you to Mrs. McCrory for showing us some amazing fossils from a quarry here in Illinois. What a fun connection to see some real fossils!
