

Week of October 26 - October 30

MRS. SALAS
CLASS NEWS

A look ahead..

Congratulations to our third graders! We are officially ready to become the meteorologists for our school. Be on the lookout for our weekend forecasts coming soon! Our visit with Tim Brice was so much fun! We will use our knowledge we've gained to design a structure to protect against the natural hazard we researched next week. In math, we will be using multiplication to help us divide and solving problems involving division.

Did you know?

Upcoming Dates:

- No school 11/3
- No School 11/6
- Late Start 11/11

Throughout the weeks we have been learning together, I have been giving students feedback on some of their work posted in Google Classroom. You will see a ✓ next to the work. If you are interested in viewing this feedback.

Shout Outs!!!!

Great work to Olivia and Rosie for being leaders during small group break out times. Nice job including everyone and sharing ideas!
