

Week of October 5 - October 9

MRS. SALAS  
CLASS NEWS

## A look ahead..

Next week, we will continue our weather unit. Now that we know about weather and climate, we will be learning about the impacts of natural hazards. We will begin researching a natural hazard of choice after we create "thick questions" about our topic. Through reading nonfiction sources, viewing informational videos, and exploring text features, we will find answers to these questions.

## Upcoming Dates:

- No school 10/12
- Late Start 10/14
- No school 11/3

## Technology Use Agreement

Mrs. Wake has been visiting classrooms to review the expectations to be responsible, safe and respectful as they are using their Chromebook. Please review [THIS](#) Technology User Agreement, then fill out the form linked at the bottom to indicate you have reviewed the information and agree to the expectations.

Thank you!

## Shout Outs!!!!

Great job to my super participators this week!

A big shout out to:

Lakshay, Eric, Kyle, Giada, and Everett
