

Week of September 28- October 2

MRS. SALAS'
CLASS NEWS

A look ahead..

Next week, we will be starting our unit on weather. We will be putting on our meteorologist hats while we explore the difference between weather and climate. Through observation, videos, and nonfiction articles we will be learning how to find answers to our questions about weather. In math, we will be looking at patterns in multiplication using a variety of factors.

Upcoming Dates:

- No school 10/12
- Late Start 10/14
- No school 11/3

Are you a weather expert?

Calling all weather experts! We'd love to connect with some community members who know about the weather. If you or someone you know would like to chat with our class about weather related topics, please send me an email.

Shout Outs!!!!

Great job to my super readers this week! You did a nice job participating in your small groups!

A big shout out to:

Tyler, Erika, Janoah, Rosie, and Nolan
